Subject: EPA Pesticide Contaminant Analysis
Attachments: epa-response-sfireg-impurities-issue-paper-final-10-15-2020.pdf

Hello Sandra - I currently serve as the SFIREG Laboratory Directors Liaison and would like to speak with you regarding the attached document. Specifically I would like to get more detail on the offer of Ft. Meade laboratory support related to product testing for pesticide contamination. I would like to schedule a call with you if we could possibly coordinate on a time to talk.

Thank you,

Eric
